

FICKERT 5 EXTRA

Product destined to "Shine" obtaining an excellent "**mirror shine**".

TECNOLOGIES: ▼

_With this technology applied together with a careful selection of raw materials and an elaborate production process, we managed to create an **extra-hard glass** on the polished surface of Marble or Terrazzo.

_Increases the hardness of the surface in the Mohs Scale and the **scratch resistance**.

_Example of maximum industrial automation by means of a multi-press system executed by robotic arms. Hereby we ensure the **maximum precision in processes and products**, with **constant quality** that differentiates us.

_Ecological. This product does not contain substances prohibited according to the regulation (CE) n°1907 / 2006
