# UNIVERSAL PIGMENT PASTE

**Universal** pigment paste for coloring adhesives and mastics based on **Polyester, Epoxy and Epoxy-Acrylate (Poliepoxy)**.

## GUARANTEE & QUALITY

**Abrasivos Alicante** offers an extensive range of Mastics, Glues and Resins, as well as epoxy systems, destined to the filtration, reinforcement and adhesion of stone surfaces.

In our new recently expanded facilities, we manufacture and pack the products quickly and efficiently, **giving an immediate response** to market needs.

Many of the raw materials are **developed exclusively** by our partners; which together with the final products are strictly controlled by our laboratory, offering the greatest **guarantee** and commitment to **continuous improvement** of the implemented quality system.

**Ecological.** This product does not contain substances prohibited according to the regulation (CE) n°1907 / 2006

All our containers are **certified** by Ecoembes Recycling Company.

Product destined to **professional use**.

ISO 9001:2015 CERTIFIED
